

1 October 1979

MEMORANDUM FOR: The Director of Central Intelligence
FROM : PB/NSC Coordinator
SUBJECT : DCI Seminar (U)

1. The next DCI Seminar is scheduled for Thursday, 4 October, 1115-1215 in the DCI Conference Room. (U)

2. The tutorial on international economics and monetary policy deferred from last week cannot be covered this week since OER is conducting a retreat [redacted] We will try for this one next week. (C)

3. Options for this week include (please note preference):

- ✓ • Soviet/Cuban Reaction to Presidential Speech. A discussion with analysts on what we can expect in near-, mid-, long-term.
- Afghanistan. Discussion based on recent IIM on Soviet options and what we see for future.
- Nuclear Proliferation. A detailed discussion of recent events [redacted] 25X1
- Bloc Adventurism. A discussion of selected key countries where there is significant or increasing Soviet, Cuban, E. German involvement (This is in early stages of Presidential Brief preparations).
- Collection Capabilities in Selected Countries. This could be keyed to Bloc Adventurism above or be handled independently to examine our collection capabilities and priorities in selected countries of current or potential high interest to policymakers. (If this option selected, any country preferences?)
- Cancel DCI Seminar. Use time for Study/Review to catch up on work deferred due to Cuban business.
- Other topics? (S)

25X1
